Christ Church CE
Primary School

Thank you!

Dear Parents/ Carers, this half term Year 2 have thoroughly enjoyed our 'Muck, Mess and Mixtures' topic and they have created some fantastic pieces of work. It is now time for a well deserved Christmas rest before returning to School for yet another fun-filled topic.

Have a wonderful break!!

SPAG.com

A huge thank you to the children who have been working hard to complete their spaq.com tests. For the children who are completing these regularly we are already seeing a huge impact on their progress. There is a new emphasis on both spelling and grammar in the Year 2 SATs this year and so by supporting your child at home with this you are giving them the best possible chance of passing their SATs along with making learning easier and far more enjoyable.

Well done Year 2.

Topic – Land Ahoy

Next half term Year 2 will be clambering aboard their pirate ships as we dive feet first into our new topic 'Land Ahoy'.

Yo-ho-ho and a bottle of rum! Arrr... me hearties, - it's a sailor's life for me! Get your sea legs on Year 2, it's time to sail the salty seas. Navigate, investigate and explore the geographical world - just like Captain Cook. Thar's land ahead, me buckos! Let's get t'ship t'port.?!.

Homework

Please make sure that you help your child practise their weekly spellings. These will continue to be sent home every Friday. Children who do not practise spellings will find it extremely hard to pass their upcoming assessments especially with the new emphasis on the importance of spelling. If you need any support with this at home please do not hesitate to ask a member of staff.

Reminder

Please ensure that you read 5x per week with your child. This practise is essential if children are to become fluent, confident readers. If you require further support with how to help your child with reading at home please do not hesitate to see a member of the Year 2 team.

Singapore Maths

A big well done to Year 2 for the effort they have put into learning their times tables. They are becoming so confident with them and this is having a huge impact on their progress- well done! Next half term we will be focusing on division. Please support your child at home with this by encouraging children to practise halving all the even numbers up to 20 so that they are fluent. We will also be sending home some division Maths sheets for extra practise so please support your child in completing these and return them to school once done. Thank you.

SATs

We would like to thank all parents that attended last weeks SATs meeting. Your support is greatly appreciated and really makes the difference to the progress your child makes. We will be holding another meeting for those that were unable to attend in the new year. Please look out for more information once we return to school. The purpose of the meeting is to inform you of the expectations of the children for their upcoming Year 2 SATs and how you can support your child at home. Feedback from parents has been that they have found it very useful so please try and attend where possible.

We have really enjoyed our English texts...

RE

Next half term our RE topic will be 'Jesus a Friend to Everyone'. We will be exploring some of the kind natured gestures that Jesus did for his friends through reading different bible stories and thinking about how we can also show this loving nature ourselves.

John 15:13 Greater love hath no man than this, that a man lay down his life for his friends.
