

Aims

The overarching aim for English in the national curriculum is to promote high standards of language and literacy by equipping pupils with a strong command of the spoken and written word, and to develop their love of literature through widespread reading for enjoyment. The national curriculum for English aims to ensure that all pupils:

- ✓ Read easily, fluently and with good understanding;
- ✓ Develop the habit of reading widely and often, for both pleasure and information;
- ✓ Acquire a wide vocabulary, an understanding of grammar and knowledge of linguistic conventions for reading, writing and spoken language;
- ✓ Appreciate our rich and varied literary heritage;
- ✓ Write clearly, accurately and coherently, adapting their language and style in and for a range of contexts, purposes and audiences;
- ✓ Use discussion in order to learn; they should be able to elaborate and explain clearly their understanding and ideas are competent in the arts of speaking and listening, making formal presentations, demonstrating to others and participating in debate.

Intent

What are we trying to achieve for our children in English?

- ✓ We aim for pupils to be inspired through a wide range of exciting stimuli which includes books, film clips, artefacts, drama, visitors and real-life experiences;
- ✓ We aim for all pupils to be exposed to high quality, age appropriate texts both in school and at home including classic novels, poetry, fiction and non-fiction;
- ✓ We aim for our children to sufficiently decode texts and to become fully equipped with the necessary reading skills in order to analyse texts in depth and to give reasoned justifications for their answers;
- ✓ Every child is encouraged to let their imagination and personality shine through in their writing;
- ✓ We strive to equip children to develop a rich vocabulary which can help them bring their writing to life;
- ✓ We aim to develop children's writing through a range of contexts, purposes and audiences;
- ✓ We aim for all pupils to model excellence and high standards of handwriting in every subject;
- ✓ We aim for all children to know all of the common sounds in the English dictionary to prepare them for the phonics screener check in Y1.
- ✓ We aim to develop children's oral language through debates, presentations, drama and embedded TALK strategies.

Implementation

How is the curriculum delivered?

- ✓ Through memorable experiences which are organised each half term as a hook into the children's learning and to support them with their writing and speaking & listening;
- ✓ Through our local library service to source copies of high quality, age appropriate texts to support our reading and writing skills in every year group which are monitored by the English team;
- ✓ Through regular 'book talk', in class and around school which encourages children to think as a reader and discuss their preferences, likes and dislikes;
- ✓ Through the high-quality modelling of the writing process through shared writing which demonstrates ambitious high standards expected of all children;
- ✓ Using the 'Achieving Excellence in Handwriting' scheme;
- ✓ Through the teaching of explicit reading and grammar skills in each year group;
- ✓ Through staff meetings and CPD;
- ✓ Through stages of progression across year groups;
- ✓ Through parental sessions/workshops in phonics and reading;
- ✓ Through whole class reading lessons through questioning with additional pre/post teaching tasks for individual children;
- ✓ Through cross-curricular writing;
- ✓ Through use of effective tracking to monitor individual progress in writing including grammar and spelling;
- ✓ Through the 'Read Write Inc' phonics programme which is used to systematically teach all common sounds in the English Language, helping the children to recognise the sounds and then to 'sound-blend' them into words for reading.

Impact

What difference is the curriculum making?

- ✓ Through English observations (reading and writing), evidence of resilience and increased enjoyment has been observed;
- ✓ Book and planning scrutinies are used to monitor progress over year;
- ✓ Pupils become fluent readers, confident speakers and willing writers;
- ✓ Reading is a fundamental part of everything we do at Christ Church and Lewis Street;
- ✓ Reading for pleasure is a cornerstone of our approach, with an inviting and well organised school library which children access both within the timetable and in their own time;
- ✓ TALK strategies underpin all elements of English enhancing reasoning and critical thinking skills as well as allowing pupils to become confident public speakers;
- ✓ High standards of handwriting, across the curriculum, has developed our children's personal care, pride, concentration and perseverance;
- ✓ Within writing pupils challenge themselves to use higher level vocabulary in spoken and written work.

- Spell by segmenting spoken words into phonemes and representing these by graphemes, spelling many correctly
