<p>Basic information This policy covers our schools' approach to PSHE (Personal, Social and Health Education) and RSHE (Relationships, Sex and Health Education). Throughout the policy it should be assumed that the initials PSHE include Relationships Education, Health Education and Sex Education- this is an umbrella policy. It was produced by Jenny Rimmer, Becky Davenport and Angela Back (PSHE leads). Parents and carers will be informed about the policy through newsletters and our websites. The policy will be available to parents and carers through the schools' websites.</p>				
<p>Mission Statement-The Partnership's Mission Statement is 'Our aim is to nurture and empower our learners to achieve their own academic potential and gain the confidence and skills to ensure that they excel at our school, higher education, university and beyond.'</p>				

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

In 2018 the DfE issued guidance (1) which made Relationships and Health Education statutory aspects of schools' PSHE programmes.

We use 'Jigsaw' as our PSHE curriculum. The Jigsaw Programme offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area. This also supports the "Personal Development" and "Behaviour and Attitude" aspects required under the Ofsted Inspection Framework, as well as significantly contributing to the school's Safeguarding and Equality Duties, the Government's British Values agenda and the SMSC (Spiritual, Moral, Social, Cultural) development opportunities provided for our children.

At Christ Church C.E, Lark Hill and Lewis Street Primary Schools (our schools) we will teach Relationships and Health Education (RHE) as part of our Jigsaw PSHE programme.

We will also teach aspects of Sex Education, as we believe that it is part of good provision and it safeguards children from risk factors. Sex Education lessons will always be taught as 'standalone lessons'. We use Jigsaw resources in these lessons. Parents have a right to withdraw their children from some or all of the Sex Education elements of our PSHE programme. Parents do not have the right to withdraw their children from RHE lessons, as they are statutory.

We believe that the PSHE curriculum is important as:

- It provides a platform and the vocabulary that children need to live safely in today's increasingly complex world.
- It prepares children for the responsibilities of adult life.
- It supports and enhances their personal development.
- It helps children to recognise risk, and to keep themselves safe.
- It can give children the strategies that they need to resist peer pressure.
- It helps them to keep safe online and when using social media.
- It teaches them that we are all different, and encourages them to celebrate their uniqueness.
- It gives them the knowledge and understanding to empathise with people from other cultures.
- It helps children to feel 'happy in their own skin'.

SEND, inclusion, equality and diversity

We promote the needs and interests of all pupils, irrespective of gender, culture, ability or aptitude, by including all learners in all PSHE lessons. We are aware that at times we may need to adjust aspects of our teaching in order to take into account the ability, age, readiness, and cultural backgrounds of children, and of those with English as a second language, to ensure that all can fully access PSHE education provision. We expect our pupils to show a high regard for the needs of others by showing

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

respect for all. Children use our Talk Promises, so they are accustomed to listening to others and taking turns in conversation. Teacher Talk Moves and KAGAN strategies will be an integral part of lessons.

Statutory Relationships and Health Education

“The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019, made under sections 34 and 35 of the Children and Social Work Act 2017, make Relationships Education compulsory for all pupils receiving primary education...They also make Health Education compulsory in all schools except independent schools. Personal, Social, Health and Economic Education(PSHE) continues to be compulsory in independent schools.”

DfE Guidance p.8

“Today’s children and young people are growing up in an increasingly complex world and living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. In this environment, children and young people need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way.”

“This is why we have made Relationships Education compulsory in all primary schools in England...as well as making Health Education compulsory in all state-funded schools.”

“In primary schools, we want the subjects to put in place the key building blocks of healthy, respectful relationships, focusing on family and friendships, in all contexts, including online. This will sit alongside the essential understanding of how to be healthy.”

“These subjects represent a huge opportunity to help our children and young people develop. The knowledge and attributes gained will support their own, and others’ wellbeing and attainment and help young people to become successful and happy adults who make a meaningful contribution to society.”

Secretary of State Foreword DfE Guidance 2019 p.4-5

“Schools are free to determine how to deliver the content set out in the DfE guidance 2019 in the context of a broad and balanced curriculum. Effective teaching in these subjects will ensure that core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way, within a planned programme of lessons.”

DfE Guidance p.8

“All schools must have in place a written policy for Relationships Education and RSE.”

DfE Guidance p.11

At our schools we value PSHE as one way to support children’s development as human beings, to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning.

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

We include the statutory Relationships and Health Education within our whole-school PSHE Programme.

To ensure progression and a spiral curriculum, we use Jigsaw, the mindful approach to PSHE, as our chosen teaching and learning programme and tailor it to your children's needs. The mapping document: Jigsaw 3-11 and statutory Relationships and Health Education, shows exactly how Jigsaw and therefore our school, meets the statutory Relationships and Health Education requirements.

This programme's complimentary update policy ensures we are always using the most up to date teaching materials and that our teachers are well-supported.

Our PSHE policy is informed by existing DfE guidance:

- Keeping Children Safe in Education (statutory guidance)
- Respectful School Communities: Self Review and Signposting Tool (a tool to support a whole school approach that promotes respect and discipline)
- Behaviour and Discipline in Schools (advice for schools, including advice for appropriate behaviour between pupils)
- Equality Act 2010 and schools
- SEND code of practice: 0 to 25 years (statutory guidance)
- Alternative Provision (statutory guidance)
- Mental Health and Behaviour in Schools (advice for schools)
- Preventing and Tackling Bullying (advice for schools, including advice on cyberbullying)
- Sexual violence and sexual harassment between children in schools (advice for schools)
- The Equality and Human Rights Commission Advice and Guidance (provides advice on avoiding discrimination in a variety of educational contexts)
- Promoting Fundamental British Values as part of SMSC in schools (guidance for maintained schools on promoting basic important British values as part of pupils' spiritual, moral, social and cultural (SMSC))
- SMSC requirements for independent schools (guidance for independent schools on how they should support pupils' spiritual, moral, social and cultural development).

The Jigsaw Programme is aligned to the [PSHE Association](#) Programmes of Study for PSHE.

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

What do we teach and when? Who teaches it?

Whole-school approach

Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education. The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

Our Long Term Plan

Half termly Puzzle (Unit) Content

Autumn 1: Being Me in My World- Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.

Autumn 2: Celebrating Difference- Includes anti-bullying (cyber and homophobic bullying included) and understanding.

Spring 1: Dreams and Goals- Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society.

Spring 2: Healthy Me- Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise.

Summer 1: Relationships- Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss.

Summer 2: Changing Me- Includes Relationships and Sex Education in the context of coping positively with change.

At our Schools we allocate 45 minutes to PSHE each week in order to teach the PSHE knowledge and skills in a developmental and age-appropriate way.

These explicit lessons are reinforced and enhanced in many ways:

One 'No Outsiders' session will be delivered each half term. Teachers have the freedom to choose which books to use and when. **NB/** this applies to Christ Church CE and Lewis Street Schools only.

Assemblies and collective worship, Dojo points, Learning Charter, through relationships child to child, adult to child and adult to adult across the school. We aim to 'live' what is learnt and apply it to everyday situations in the school community.

Class teachers deliver the weekly lessons to their own classes.

Relationships Education

What does the DfE statutory guidance on Relationships Education expect children to know by the time they leave primary school?

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

Relationships Education in primary schools will cover 'Families and people who care for me', 'Caring friendships', 'Respectful relationships', 'Online relationships', and 'Being safe'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Relationships Puzzle (unit) in Jigsaw covers most of the statutory Relationships Education, some of the outcomes are also taught elsewhere in Jigsaw; e.g. the Celebrating Difference Puzzle helps children appreciate that there are many types of family composition and that each is important to the children involved. This holistic approach ensures the learning is reinforced through the year and across the curriculum.

Health Education

What does the DfE statutory guidance on Health Education expect children to know by the time they leave primary school?

Health Education in primary schools will cover 'Mental wellbeing', 'Internet safety and harms', 'Physical health and fitness', 'Healthy eating', 'Drugs, alcohol and tobacco', 'Health and prevention', 'Basic First Aid', 'Changing adolescent body'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Healthy Me Puzzle (unit) in Jigsaw covers most of the statutory Health Education, some of the outcomes are taught elsewhere in Jigsaw e.g. emotional and mental health is nurtured every lesson through the Calm me time, social skills are grown every lesson through the Connect us activity and respect is enhanced through the use of the Jigsaw Charter.

Also, teaching children about puberty is now a statutory requirement which sits within the Health Education part of the DfE guidance within the 'Changing adolescent body' strand, and in Jigsaw this is taught as part of the Changing Me Puzzle (unit).

Again, the mapping document transparently shows how the Jigsaw whole-school approach spirals the learning and meets all statutory requirements and more.

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

Appendix 1: Non-Statutory Sex Education

Sex Education

The DfE Guidance 2019 (p.23) recommends that all primary schools 'have a sex education programme tailored to the age and the physical and emotional maturity of the pupils.

However, 'Sex Education is not compulsory in primary schools'. (p. 23)

"Parents have the right to request that their child be withdrawn from some or all of sex education delivered as part of statutory Relationships and Sex Education" DfE Guidance p.17

Schools are to determine the content of sex education at primary school. Sex education 'should ensure that both boys and girls are prepared for the changes that adolescence brings and – drawing on knowledge of the human life cycle set out in the national curriculum for science - how a baby is conceived and born.'

Parents have a right to withdraw their child from Sex Education lessons, as they are part of our PSHE curriculum. Sex Education is non-statutory in Primary schools.

At Christ Church CE Primary, Lark Hill and Lewis Street Primary Schools we define Sex Education as teaching about human reproduction.

We believe that children should understand the basic facts about human reproduction before they leave primary school. At our schools, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the '**Changing Me' Puzzle (unit)**.

We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this i.e. the Jigsaw Changing Me Puzzle (unit):

Year 4, Lesson 2 (Having a baby)

Year 5, Lesson 4 (Conception)

Year 6, Lesson 3 (Conception, birth)

All subject matter will be dealt with in a sensitive, matter of fact and age-appropriate manner.

In Sex Education lessons, children will be taught about the functions of body parts. They will learn about the male and female reproductive organs; they will also learn how conception takes place and how babies are born. Teaching about conception will ensure that children are informed and are

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

aware of how to prevent unwanted pregnancy. This supports children in their ability to make informed decisions regarding their own bodies and their future. Lessons will be tailored to the age and emotional and physical maturity of pupils. We believe that it is important to support pupils' ongoing emotional and physical development effectively during the transition phase before moving to secondary school.

Teachers will inform parents by letter before the half term when Sex Education lessons are due to take place. Parents have a right to withdraw their children from Sex Education lessons. Children who are withdrawn will be accommodated in another class and be given alternative work to do.

Appendix 2: No Outsiders

This section applies to Christ Church CE and Lewis Street Schools only.

'We are all human...we all exist.'

We believe that everyone in our school and in the wider community should be treated with respect. Respect is one of the four core Partnership Values. The lessons in our Jigsaw PSHE curriculum are testimony to this. The 2010 Equality Act defined seven Protected Characteristics: **age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.**

Schools are required to comply with the requirements of the Equality Act 2010.

We believe in treating everyone with fairness and respect, including people in our school community and the wider world.

'No Outsiders in our School' is an Equality curriculum for Primary schools, was devised by Andrew Moffat MBE. As a curriculum to deliver these requirements, 'No Outsiders' is an important part of our PSHE curriculum, and links with our schools' ethos and values. Classes from Reception to Year 6 deliver 'No Outsiders' sessions once per half term. Excellent quality books (such as Elmer, Ten Little Pirates) are used to deliver these sessions; the books are matched to the ages of the children in the class. Children learn to see difference as something to celebrate and they learn not to discriminate. No Outsiders' themed Assemblies are also delivered.

Christ Church C.E, Lark Hill and Lewis Street Primary Schools PSHE (Personal, Social and Health Education) Policy

(including Relationships and Health Education

- statutory from September 2020, and our position on Sex Education)

Appendix 3: Vocabulary and Tricky Questions

Teachers always use the correct vocabulary, at an age-appropriate level, when teaching PSHE (e.g. the names of body parts and terms such as menstruation). The Jigsaw spiral curriculum ensures that terms are introduced according to the age of the children.

It is worth noting at this stage that the lesson notes in Jigsaw are for teacher background knowledge only; the content should not be shared verbatim with children.

Teachers and LSAs should be prepared for any challenging questions that children may ask. Some questions may not be appropriate to answer in front of the class; teachers may consider asking the child to ask their parents instead. Questions should be answered honestly, using correct vocabulary at an age-appropriate level. Some teachers may choose to have a question box in the lesson, and will then be able to consider their answers and respond in the following lesson. This would also allow children who would not want to ask a question in front of their peers to do so anonymously. Any concerns that come from a question or during discussion must be logged on CPOMs.

Assessment and monitoring

Children self-assess against a knowledge- and an emotional literacy- based descriptor at the end of each lesson. Teachers give verbal feedback to pupils during each lesson. Each puzzle piece is assessed using a Summative Assessment sheet. Initials of children who are working towards or beyond the two Attainment Descriptors are to be recorded. It will be assumed that the rest of the class are working at the required level.

Monitoring and Review

The Curriculum Committee of the governing body monitors this policy on a regular basis. This committee reports its findings and recommendations to the full governing body, as necessary, if the policy needs modification. The Curriculum Committee considers any comments from parents about the PSHE (RSHE) programme, and makes a record of all such comments. Governors scrutinise and ratify teaching materials to check they are in accordance with the school's ethos.

The PSHE Lead at Christ Church CE is Mrs A Back. The PSHE Lead at Lark Hill School is Mrs Becky Davenport. The PSHE Lead at Lewis Street School is Ms J. Rimmer. The PSHE Leads will monitor efficacy in the subject by 'book looks' and lesson drop ins.

This policy will be reviewed and updated every two years.
