

## Impact statement Review 2022/23

Our Sport Funding Premium of £17,620 has enabled us to continue our year on year development to us successfully achieving our task of maintaining the School Games **Gold Kitemark** awarded by YourSchoolGames. As a result of our funding, our children have accessed an enhanced experience of sports and outdoor activities alongside their continued 2 hours of school curriculum entitlement to meet our schools objectives and the government's 5 key indicators of successful spending of Sports Premium funding.

Following our Impact Statement Review, we can report:

- Funding has continued to be used for the lease and maintenance of our school minibus which is shared with Lewis Street Primary School. Not only have we been able to save on a large amount of transport costs on hiring private minibuses to attend events, but due to the constant availability of a minibus on site, we have been able to attend even more competitions, sporting festivals and events in the community.
- We have secured a sports coach (through Foundation92) which enabled a consistent approach to the teaching, planning and assessment of Physical Education.
- We have also used external coaches to further increase the range of sports offered. We were careful to ensure that we linked with organisations that were able to provide our staff with CPD (continued professional development).
- We have purchased a variety of playground equipment for children to be able to take part in sports in their own time that they have experienced in PE lessons. We have purchased footballs, tennis equipment, skipping ropes, basketball nets and balls as well as throwing and catching apparatus.
- We have purchased new sports equipment to allow teaching staff to deliver an increased range of sports during children's PE sessions.
- We have been able to offer a wider variety of sports to our pupils through CPD courses that staff have attended.
