

Sports Premium Statement 2022/23

Background:

School Principles for PE and Sport Premium Grant Spend

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. This applies to both mainstream and non-mainstream settings. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport we offer.

This means that the premium should be used to:

- Develop or add to the PE and sport activities that our school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Our School Strategy

In 2022-23, Christ Church CE Primary School will receive £17,620 in instalments over the year of PE and Sports Premium funding.

This money will be put to use to ensure that we see an improvement in the 5 key indicators outlined above, furthermore, we hope to expand on our current offer of Physical Education and Activities to further embed PE as an essential part of school life.

Christ Church CE Primary School – Sports Premium Allocation of Money

Objective	Action	Cost	Baseline	Red/ Amber/ Green			Update/ Impact
To invest in specialist sports equipment to provide sustainability for the teaching of sports in school, including EYFS specific equipment to ensure that all children are able to meet the age-related expectations for Physical Development by the end of Reception.	-Restock and replace old equipment (tennis balls, football nets etc).	£500	Specialist equipment will allow the full and high-level teaching of the PE curriculum to be delivered to all young people.				
To increase the % of children who meet the national curriculum standard for physical development in Early Years and to have a consistent and quality level of instruction for dance and gymnastics and foundational skills across the school.	-Invest in consistent dance coaches to ensure that we can enable all of our children, especially EYFS & KS1, to receive outstanding dance provision which we put at the heart of our physical education curriculum. -For sports coaches to receive CPD in	Dance £750	We use an outside gymnastic coach to deliver high-level gymnastics lessons. CPD informs practise and excellence throughout. We use Empower Dance Studio to deliver dance to our young people. This ensures consistency across all year groups.

	delivering high quality gymnastics.					
To provide additional leadership opportunities for our children in upper KS2 in the form of running events for schools in the local community of which our Sports Leaders will organise and officiate these events.	-Giving our leaders a voice, letting them organise and help running events, providing games and activities at lunchtimes and ensuring school council meetings talk about sport and PE.	£100	Our sports coach organises our young sport leaders. This includes training them up and arranging rotas with class teachers for when and where children will deliver their sessions. This develops their leadership and confidence in preparation for high school.			
CPD for teaching staff wherever possible. We will also endeavour to link with outside agencies who can provide access to unique sports that we may not be able to provide.	-Continue to seek out new opportunities of different sports and activities for children across the school. We will do this through sports coaches CPD sessions (school sports partnership in Salford). -For the PE team to carry out CPD training in order to support staff where needed. This will be delivered through shadowing coaches during lessons.	SNSSP membership £950	The PE team attend SSPS CPD meetings and share the feedback from these with relevant staff. This also allows us to enter competitions within our local area.			
To provide a wide range of sporting opportunities	-We will provide a variety of sporting	Foundation 92 Sports	The PE team meet termly to organise the after-school
