Thanks to all those people who have made some of the resources collated here available to share

Firm Foundations

Bible Verse

Jesus said - anyone who hears these words of mine and obeys them is like a wise man who built his house on rock. The rain poured down, the rivers flooded over, and the wind blew hard against that house.

But it did not fall, because it was built on rock.

But anyone who hears these words of mine and does not obey them is like a foolish man who built his house on sand. The rain poured down, the rivers flooded over, the wind blew hard against that house, and it fell. And what a terrible fall that was!

You can find this in the Bible, in the book of Matthew , chapter 7, verses 24-27.

Daily Prayer

Dear God,

Thank you that in the example of Jesus you give us a firm foundation to build our lives on. Help us to do that this year and show us ways to help others to do that too.
Amen

Wondering

- I wonder what you think this story is about
- I wonder what you think can help us build firm foundations
- I wonder if you can think of ways to help other people do that

Creative Prayer 1 ~ buildings

You probably see quite a lot of different buildings during the day. Maybe a shop, an office block, a church, your school and even your home. Pick three buildings to pray for every day this week and pray these three things when you pass by or enter that place:

- Pray that God will be with everyone who enters
- Pray that they will know his peace
- Pray that God would give you the chance to contribute to the community

A pliers B screwdriver C chisel D saw E hammer

Creative Prayer 2 ≈ rocks

Look at the pictures of these rocks? Is there one you like more than the others? Why is that? It can take thousands, even millions of years for rocks to form. Father God is firm like a rock always there for us, and we can lean on him by talking to him when the stormy things, the difficult things in life come along. He is our firm foundation. Spend some time talking to him now. Thank him for being with you in the stormy times. Tell him about any things you might be finding difficult just now and ask him to be with you.

You might like to see if you can find a small stone to put somewhere to remind you that God is our rock.

Activity 1 ≈ build a house

Try building a model house out of different materials, for example Lego or newspaper. Try building it on different surface to like a hard floor or a carpet and see if it stays up. You might like to nudge it and see if it falls over!

- What works best?
- Why do you think that is?
- Is there anything you did that helped your house stay up?

Activity 2 ≈ tool close up quiz

These are close up pictures of different tools. Can you guess what they are? You might like to design your own questions connected to buildings and have a household quiz! (answers over the page)
